All elementary parents will be allowed to personally escort their students to their classrooms on the mornings of August 1st and 2nd.

Student Instruction:
Every student’s instructional day begins at 7:45 and continues to 2:45. Students are counted as “tardy” for arriving to school after 7:45 and/or removed from school prior to 2:45 without proper verification. Three (3) unexcused tardies and/or early dismissals shall equal one (1) unexcused absence.

Student Attendance:
Students are allowed five (5) parental verifications per school year. After such parental verifications have been used, only a doctor’s statement or a court officer’s statement shall be accepted for excused student absences. TCA 49-6-3007 states that the parent or legal guardian of a student is subject to abide by compulsory attendance laws and it is their duty to monitor their student’s school attendance by requiring their student to attend school. If a student is absent from school for three (3) days during the school year without adequate excuse, then the student is subject to referral to juvenile court.

Teacher Websites:
Each teacher in the Trousdale County School district maintains a Teacher Website for parents. The website can be found at www.tcschools.org under each school’s page under “Quick Links”. The teacher website is beneficial in providing parents with classroom expectations, homework, assignments, rules, procedures, as well as up to date student progress through PowerSchool Parent Portal.
