

A Special Message for Our

Jacket Fans

Don't let this game be your last game!

We need your help to continue to have fans “live” at our sporting events.

An Important Notice to All of Our Spectators and Fans,

We value you and your participation in our sports programs and your encouragement helps our teams perform at their best. Please help us keep our spectators in our stadiums and gymnasiums for future sporting events by following the TN Department of Health and TSSAA guidelines below:

- 1) keep a minimum social distance of 6 feet between individuals who are not of the same household,**
- and 2) wear a protective face covering when social distancing cannot be maintained.**

Failure to follow these health requirements may result in sporting events being played without spectators.
