

# JSMS Distance Learning Closure Information

## Important Information:

- Lunch will be provided daily for all JSMS students via drive-thru on the Andrews Avenue side of JSMS. Monday-Friday from 11:00pm -11:45pm. **\*\*Unless District wide closure, in this case all meals will be provided at TCHS 11:00am -12:30pm\*\***
- Students can access free WiFi from the parking lots of ANY of the three Trousdale County schools. ( \_\_\_\_\_ 2G)
- All weekly assignment sheets, videos, and other materials will be available to download every Monday at 7:30 am for the upcoming week

## What to Expect:

- ALL students -regardless of their hybrid attendance schedule- are expected to log in and complete work every day Monday through Friday.
- Between 7:45am and 8:00am, ALL students should check in each of their 4 classes for Attendance Checks and their assignments for that day.
- Students are expected to complete their assignments in Google Classroom as they normally would if physically in school.
- Teachers have scheduled times for Google Meets for each class. These meets will allow students to ask questions about their lessons and assignments and will also give teachers the opportunity to give feedback on student work. These are required unless circumstances prevent a student from being able to attend. If a student is unable to join their respective classes they should email the teacher **BEFORE** the scheduled meet.
- Students should expect to meet with each of their teachers via Google Meet a minimum of two days a week.
- During a Distance Learning Closure teachers will combine classes for Google Meets. Students should check their individual Google Classroom **To-Do List** for days, times, and links for meets.
- Teachers will have office hours daily to answer questions or concerns through email or phone (615-374-2748).
