All weekly assignment sheets will be posted in Google Classroom by 7:30AM every Monday. Between 7:45am and 8:00am, ALL students should check in with their homeroom teachers for attendance.
- No instruction will be provided after 3:00pm.
- Students are expected to complete all assignments in Google Classroom as they normally would if physically in school.
- 4th and 5th Grade Teachers have scheduled times for Google Meet conferences for each class should students have any questions or concerns about their assignments, and for the teacher to review material from the posted lessons and assignments. These Google Meets are not meant to replace any lessons or assignments.
- Teachers have scheduled times for Google Meets for each class. These meets allow students to ask questions about their lessons and assignments and will also give teachers the opportunity to give feedback on student work.
